

Get paid by your Customers on *your terms* not theirs?

Use Striven's new EziDebit payment system to receive your payments automatically by direct debit or credit card.

You decide when the payment will be made instead of waiting for your customers to decide when to pay.

Run the automatic payment report in Striven to show which debtors will be paid and what amount. Then those payment amounts are in your system the next day.

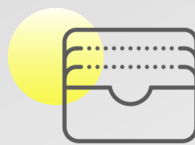

Customer can also receive the option to pay the amount by their credit card or debit debit.

Benefits

No setup fee or ongoing charge

You decide which debtors will be set to pay automatically

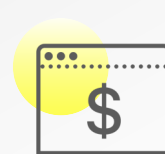

Run Auto Pay report in Striven to review outstanding balances.

After reviewing payment amounts, money in your account next day

Customer pays for the Credit Card merchant fee not you

Get paid on your terms not your customers terms
